### Ashlan Village is Magical

In July we were entertained with "Magic by Marty"! A very talented magician who amazed us with lots of magic and illusions!

### Ashlan Choir

Ashlan Choir has been busy with practicing and performed at First Baptist Campobello this past month. August 27th they will be singing at Lyman First Baptist. If your Church is interested in having our Choir to perform please contact Kelly or Tammy at 864-949-7825 or email [khenson@ashlanvillage.com](mailto:khenson@ashlanvillage.com). Thank you for your support!

## Pizza Inn Trips

We look forward every other week to not only eating pizza but seeing & visiting with lots of old friends. It's as much a social event as a meal.

## Harpist, Anna Grace Bennett

## Making homemade ice cream in a bag with Pearlie our Chef!

A whole lot of shaking, a great frozen treat and a chemistry lesson at the same time! Too Fun!

## Games and Crafts, always something going on around here!
